A16. awardee of other teaching-related honorary award	from 1 to 10 points assessed by the college FAC in accordance with the standards of A11 to A15, with the approval from the UFEC		
<p>Note 1: For the faculty awarded with more than one items from A11 to A14 in the same academic year, only one item with the highest point shall be counted.</p> <p>Note 2: For the item A14 awarded in different academic years, it shall be counted and follow the provision stipulated in Note 1.</p>			

A2. Teaching Effectiveness**Total (A21 and A22) : points (a maximum of 70 points)**

item	points	reviewed/approved by the faculty and affiliated unit
<p>(1) for professors: -Formula: $\Sigma_{10 \text{ semesters}} \{ \text{total teaching hours per semester} \times 0.55 \times \max[(\text{average points of the faculty's teaching surveys per semester} / \text{average points of all affiliated college faculty's teaching surveys per semester}), 1] \times \max[(\text{the faculty's teaching equivalent per semester} / \text{average teaching equivalent of all affiliated college faculty per semester}), 1] \}$</p> <p>(2) for associate professors, assistant professors, and lecturers: -Formula: $\Sigma_{10 \text{ semesters}} \{ \text{total teaching hours per semester} \times 0.5 \times \max[(\text{average points of the faculty's teaching surveys per semester} / \text{average points of all affiliated college faculty's teaching surveys per semester}), 1] \times \max[(\text{the faculty's teaching equivalent per semester} / \text{average teaching equivalent of all affiliated college faculty per semester}), 1] \}$</p>	<p>A21 = points (a maximum of 60 points)</p>	
<p>Note1: A21 shall be calculated in accordance with the <i>Detailed Implementation for Faculty Performance Assessment</i>, based on the documents within the past five academic years (i.e., ten semesters), excluding the period of paid/unpaid leave or long sick leave.</p> <p>Note2: Teaching hours shall be calculated in accordance with the <i>Guidelines on Calculation of Hourly Pay for Faculty Members</i> (excluding those of executive level in-service master's programs); teaching hours waived due to the faculty's concurrent position (i.e., waived teaching hours due to holding concurrent position) shall be added back but only to the maximum of the weekly teaching hours of the faculty's professorship rank.</p> <p>Note3: The lower limit on the weighting of teaching surveys and on teaching equivalent is both one.</p> <p>Note4: The formula is designed to encourage the faculty to have higher teaching equivalent, while those with less than average teaching equivalent are not affected. The calculation shall be as follows: 1) if a faculty's teaching equivalent per semester is higher than the average of all the faculty of his/her affiliated college, the ratio of larger than one shall be the weighting; 2) however, if the former is lower than the latter (i.e., the ratio is lower than one), the weighting is one.</p>
