延修生（延修亦稱延畢）係指學士班學生修業滿四學年（八學期）仍未完成畢業條件者，自第五學年（第九學期）起即為延修生。（休學期間不計入修業年限）

An extended study student (also known as a delayed graduate) refers to an undergraduate student who has completed four academic years (eight semesters) but has not yet fulfilled graduation requirements. From the fifth academic year (ninth semester) onward, the student is considered an extended study student. (Leave of absence periods are not counted in the total duration of study.)

**Q：延修最長可延長多久？**

**Q: What is the maximum duration allowed for extended study?**

延修年限至多兩年(共計十二學期)；已核准修讀雙主修者可再延長一年(共十四學期)；身心障礙生得延長至多八學年(共十六學期)。

The maximum duration of extended study is two years (a total of twelve semesters). Students approved for a double major may extend by one additional year (fourteen semesters in total). Students with disabilities may extend up to eight academic years (sixteen semesters).

**Q：延修生之學業成績如何認定？**

**Q：延修生學雜費如何計算？**

**Q: How are tuition and fees calculated for extended study students?**

- 延修生須於每學期註冊日前繳交「學雜費」以完成註冊程序。

Extended study students must pay tuition and fees before the registration deadline each semester to complete the registration process.

- 註冊後，依正式選課結果計算學分費，並由課務組另行通知繳費。計費方式如下：

- 未修習教育學程課程者：修習 10 學分(含)以上，收取全額學雜費；修習 9 學分以下，按實際修習學分數計收學分費。
- 修習教育學程課程：請參閱教務處網頁／教務資訊／學雜費專區／各學年度學期學雜費收費基準表。

After registration, credit fees are calculated based on actual course enrollment, and students will be notified separately by the Curriculum Division. The fee schedule is as follows:

- For students not enrolled in education program courses: If enrolled in 10 or more credits, full tuition and fees are charged. If enrolled in fewer than 10 credits, credit fees are charged based on actual credits taken.
- For students enrolled in education program courses: Please refer to the Office of Academic Affairs website → Academic Information → Tuition and Fees section → Tuition and Fees Standards for each academic year and semester.
